

ATTENTION

Due to the governor's executive order allowing public bodies to meet virtually amid the spread of COVID-19, the order temporarily changes the Michigan open meetings act, to allow for electronic meetings through April 15, 2020.

With this, our annual/regular meeting March 21, 2020 at 9am will NOT be held at the township hall and will be conducted electronically.

We will put information on our website when the details are finalized.
